WARRINGTON SOCCER CLUB

## Warrington Soccer Club Sponsorship Programs

Warrington Soccer Club is a 501(c)(3) non-profit organization dedicated to developing the soccer skills of the youth in our community. All of the adult coaches, league delegates, and officers volunteer their time and effort for the good of the youth of the community.

Our soccer club currently provides travel, intramural, technical skill development programs, and camps for nearly **1,500 children ages 4-19**. Additionally, the club operates the largest intramural soccer league in south eastern PA, as well as a summer Adult league. Our membership draws predominantly from the Central Bucks communities of **Warrington, Doylestown, Jamison, Warwick, Chalfont, and New Britain**.

Club Sponsors play an important part in supporting the club's ability to provide our programs and financial assistance. It is not only an advertising opportunity, but also a chance to give back to our local community.
